What is it?

A flower arranging competition where participants compete in creating designs, using flowers they see for the first time when they arrive at the event.

After designs are finished, Festival of Flowers attendees vote for their favorite arrangement.

Votes are tallied and 1st, 2nd and 3rd place winners are determined.

2. Bring your own oasis and container that reflects this year's theme:
"Around the World in Flowers".
3. Flowers will be provided by Festival of Flowers, but you may bring greenery (only) from your yard. No artificial flowers or greenery can be used in your arrangement.
4. Festival of Flowers opens at 9am and designing starts at 10am. Designs must be completed by 11am when Festival attendees will begin voting. Voting ends at 3pm.
