#1 Prep Your Plants, Seeds, and Bulbs /Corms ***BEFORE*** Arriving at the Event

1. Label ***ALL*** plants and seed packets ***before*** arriving.

If you do not know the name of the plant, and our experienced volunteer can't identify it, we can't accept it. ***Must be established...not potted up the day before or that morning***

2. Common plants must be ***established*** and healthy. No 'baby' plants will be accepted unless they are rare. ***Plants must have roots, and stand firm and secure in their container. Established at least 3 weeks***
3. If your plants are ***uncommon***, a descriptive note about planting, care, etc. is appreciated. Tape your note to the container, or put it inside.
4. Maximum 20 plants per person. The plant size must be appropriate to the container size.
5. No more than 5 of the same variety of plants.
6. Container sizes: 4-inches, 6-inches, 1 gallon, 3 gallon, 5 gallon.
7. Maximum 10 seed packets with viable seeds; minimum 5 seeds per packet.
8. No commercially packaged seeds will be allowed in the exchange.
9. Bulbs and corms: put in bags, 3 to 5 bulbs /corms per package.
10. Prickly pear cactus will ***not*** be accepted for exchange.

Please bring great plants and seeds that you would like to take home and plant.
